Stallion Real Estate is a real estate company which offers comfortable, stylish and modern apartments, houses, Villas, Maisonettes, garages and more at an affordable price.

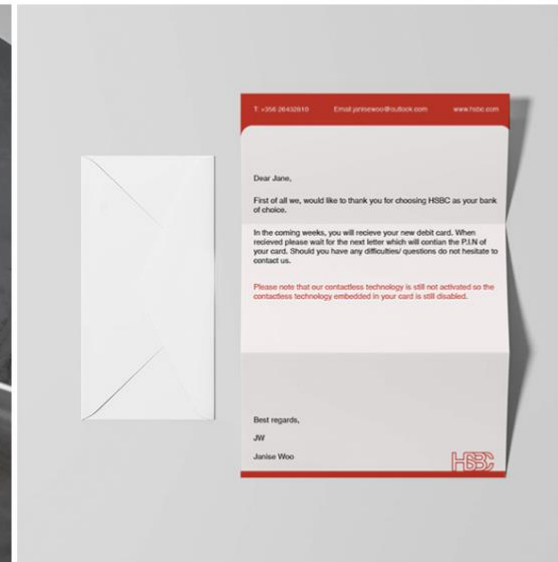

"Stallion Real Estate" was the first brand identity which I designed, where I created a logo which screamed the companies name followed by its business card design, envelope mockup and letter head design.

## HSBC Brand Identity Redesign

Current HSBC logo

Redesign

This redesign project, was a concept which I had where I visioned a letter-mark logo which was really clean and modern.

## ON THE GO Brand Identity

"ON THE GO", was a project where I needed to design a brand identity for a traveling company, targeting young adults. This project needed to be designed in a clean manner and must made use of the colours blue and yellow.

## Huge Logo

H U G E

This is a logo created for a movie application called HUGO.

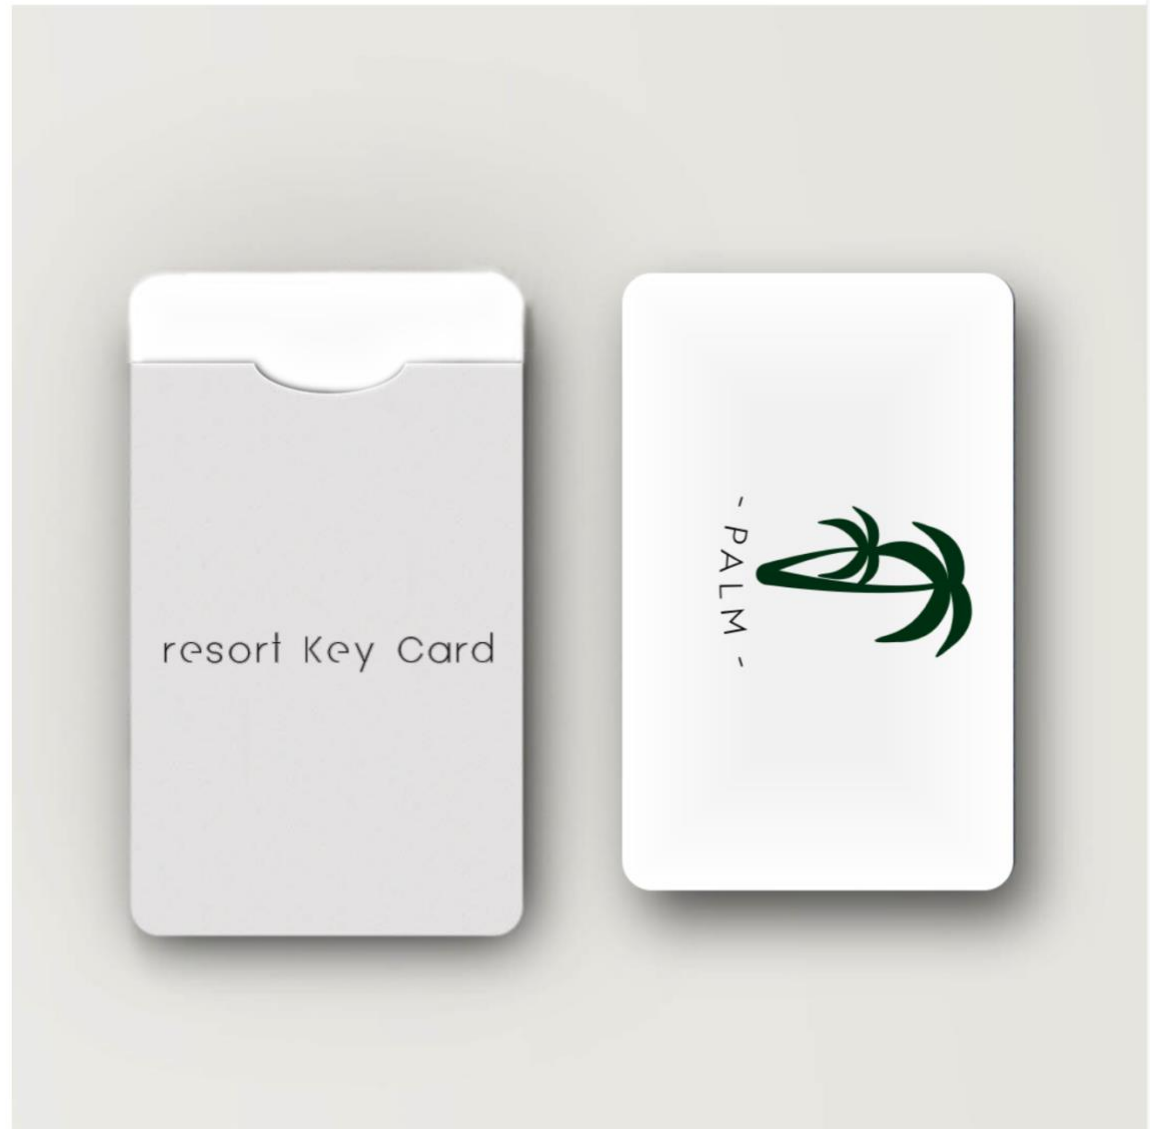

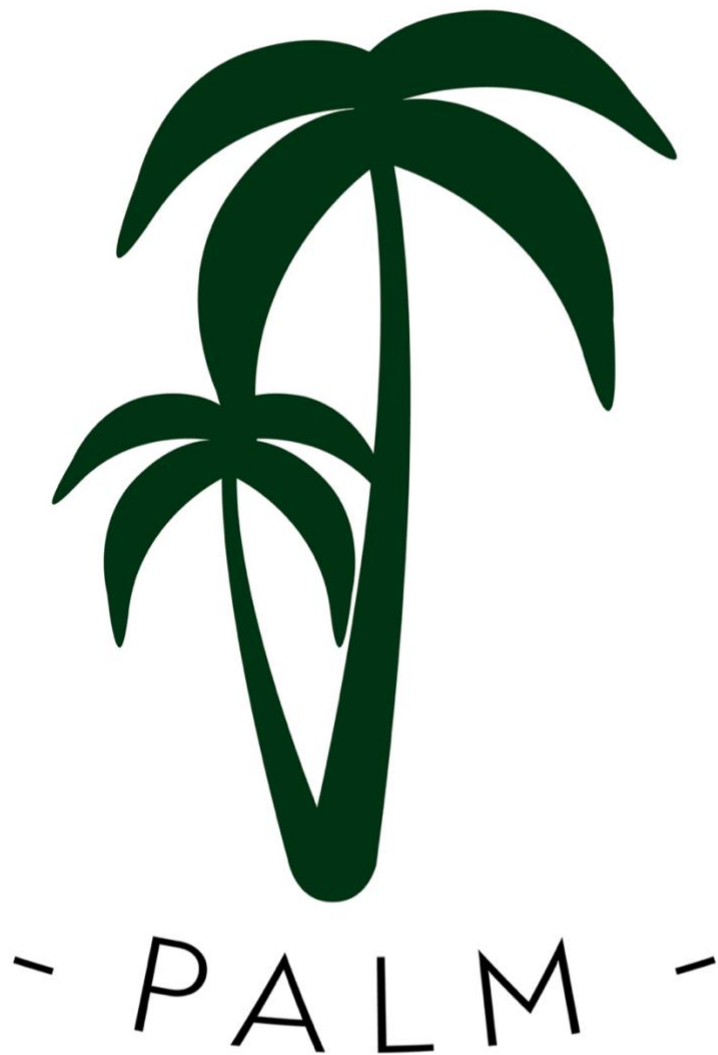

## JOE'S STEAKHOUSE Logo

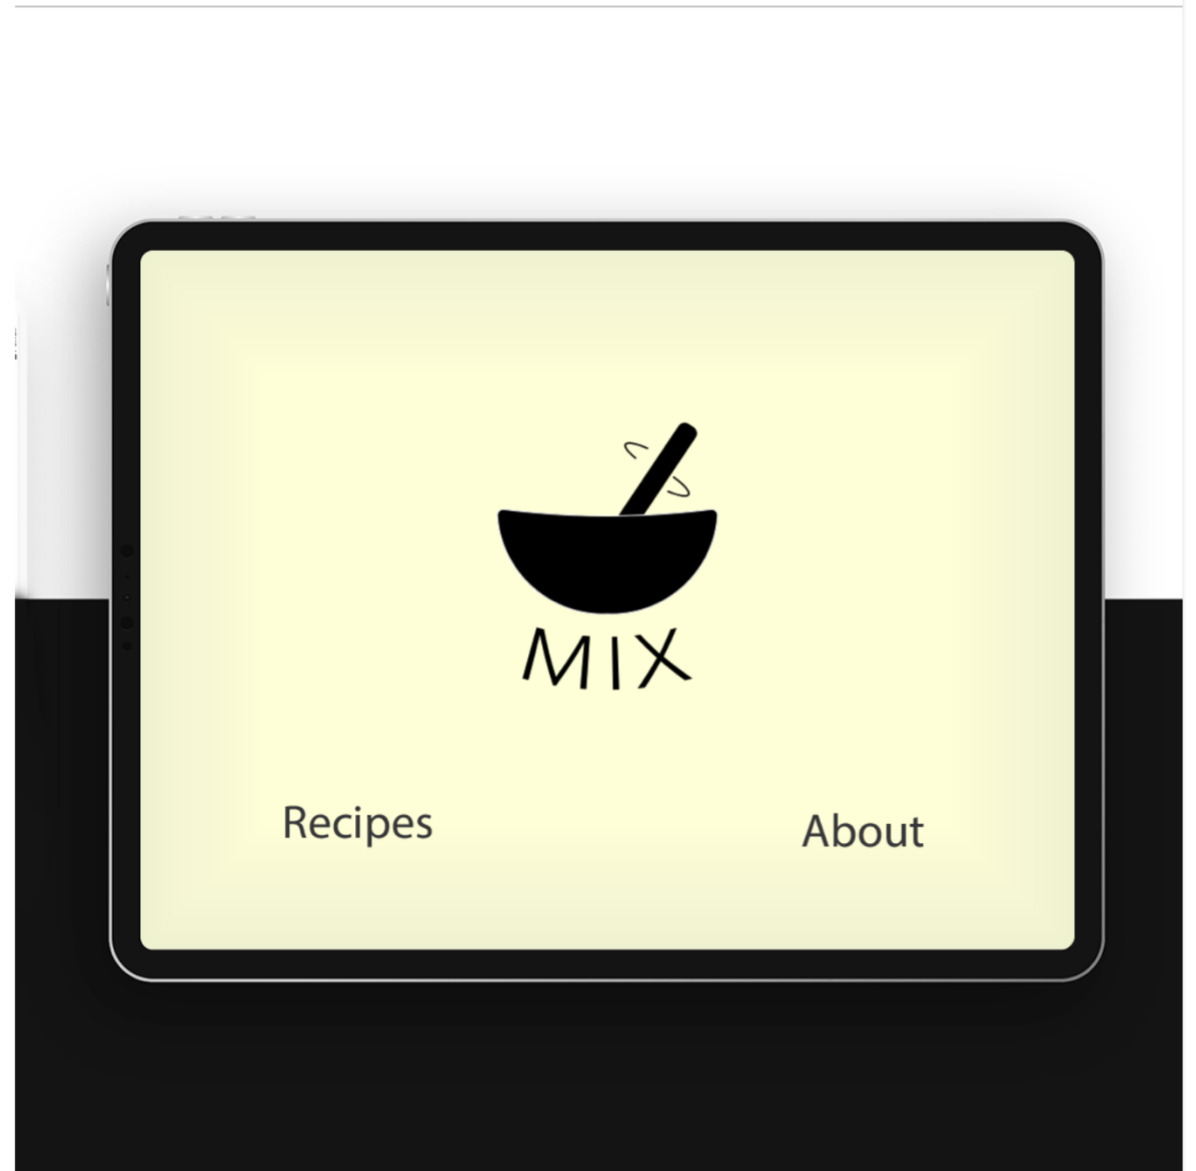

This is a logo designed for a modern steakhouse, this logo was intended to capture the image of a steakhouse but at the same time the logo needed to be clean and modern.

## PALM Logo

This project required a logo which resembled the area of the resort but at the same time the logo needed to be clean. The logo also needed to be designed in a way that it would be recognisable in a small size.

## Mix App Logo

Mix was a project which needed a simple logo to be used on their recipes application.

## Travel South Logo

This is a logo designed for a traveling company named "Travel South". This logo was designed to attract young adults as it needed to be clean and minimal.

## St. John The Baptist Logo

**Jehtieg jikber hu u nickien jien.**

I was asked to create a minimal and modern logo for St. John The Baptist. This logo needed to be used in a book which was all about St. John.

## SEE Apple TV+ series poster

I was inspired to create a fan based poster of one of the most popular apple tv+ series called "SEE".

## THE INTERN Movie Poster

For this poster I was inspired by the movie "THE INTERN" so I decided to create a poster which shows the main protagonists.

# WORKING ON S G N I N C O M I N G

In the near future I will be working on producing more movie posters, more advertising designs, and to build a stronger brand identity for my self.

Currently i'm working on more logo's, vector based facades and am practicing more to improve my skills.
